

# No water? No worries!

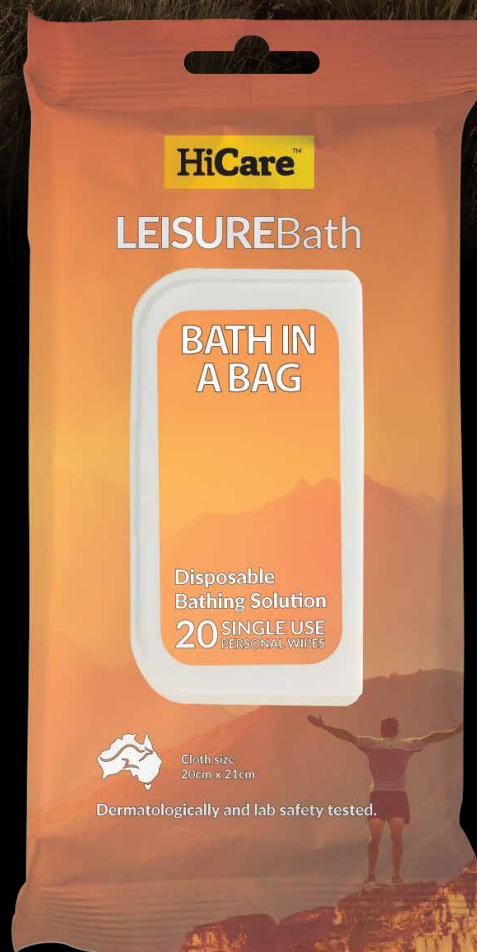

*Introducing the anytime, anywhere Bath in a Bag.*

We understand it's not always possible to have a shower or bath when you're out and about; for those times, HiCare LeisureBath disposable bathing wipes are the perfect solution!

The anytime, anywhere Bath in a Bag eliminates the need for water or soap, so you can stay fresh and clean while you're outdoors enjoying the things you love. An absolute must-have for anyone who loves camping, boating, fishing, hiking or any outdoor activity for that matter.

HiCare LeisureBath wipes are useful in emergency situations or when your deodorant just can't keep up with you. They allow skin to dry quickly with no sticky residue, and will leave you feeling refreshed every time.

**Interested in becoming a distributor? Turn over for details.**

## ***Interested in becoming a distributor for HiCare Health's LeisureBath product?***

With the growing market of weekend adventurers visiting remote locations with limited water – the anytime, anywhere Bath in a Bag is the perfect solution to staying fresh and clean while on the go.
