FAST FACTS

HiCare Health has been providing specialist waterless bathing and cleaning solutions for use in a wide range of industries since 1998

**HEALTHCARE
PRODUCTS**

**HIGH
INTEGRITY,
HIGH
DEPENDENCY
HEALTHCARE
PRODUCTS.**

Quick and efficient bathing solution

Maintains dignity whilst bathing

No water, basin or soap required

Dramatically reduces bathing times

Cost-effective alternative to the traditional bed bath

pH balanced, alcohol, soap and latex free

Wipes contain moisturisers and emollients to leave skin feeling soft

HiCare products do not promote microbial growth

WHY CHOOSE HICARE?

50%
reduction
in time and cost

HiCare Bath and HiCare EcoBath supercede the Traditional Bed Bath protocol - reducing the risk of cross infection and patient discomfort whilst reducing the time and cost of each bath.

HICARE BATH

HiCare Bath is the superior disposable waterless bathing solution, providing both patients and care-givers with unmatched benefits. With proven cost savings and superior health outcomes, HiCare Bath is an excellent choice for your facility and helps in the prevention of infection and cross contamination.

- ✔ pH balanced
- ✔ 2 emollients & skin vitamins keep skin soft, protected
- ✔ Alcohol, soap and latex free
- ✔ Reduces risk of pressure ulcers
- ✔ Resealable packs
- ✔ Saving of approximately 50% in both time and cost
- ✔ Australian owned

Available in 8 cloth and 4 cloth pack

HICARE WATERLESS SHAMPOO

HiCare Waterless Shampoo is an ideal solution for situations when regular showering and hair washing is difficult or impossible. It provides excellent benefits across a range of applications including intensive care patients, dementia patients, palliative care patients, immobile patients, disaster relief, and travel.

- ✔ Keratin to nourish hair cuticles
- ✔ No water required
- ✔ pH balanced
- ✔ Contains no alcohol
- ✔ Resealable pump packs
- ✔ Removes sweat, oil and dirt
- ✔ Australian owned
